

Bed Bug Treatment Preparation

1 Remove ALL bed linen, dry on high heat & store in plastic bags. Remove mattress & box spring from bed frame.

2 Remove drawers from dressers & completely empty.

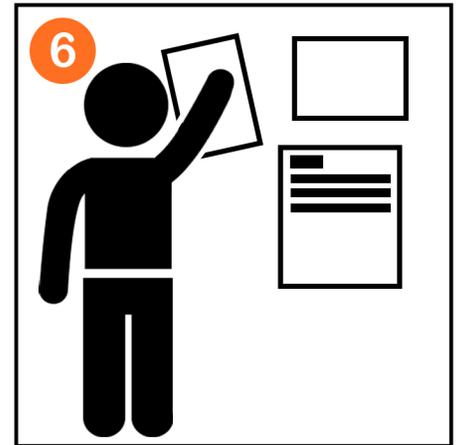

3 All couches, chairs & ottomans must be moved away from walls. AT LEAST 9 INCHES, & OUT OF THE WAY.

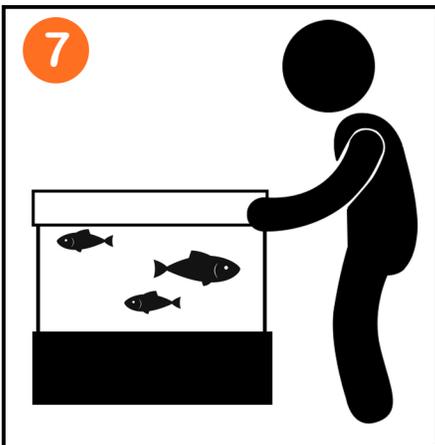

4 Empty ALL closet floors & shelves. This includes hanging clothes.

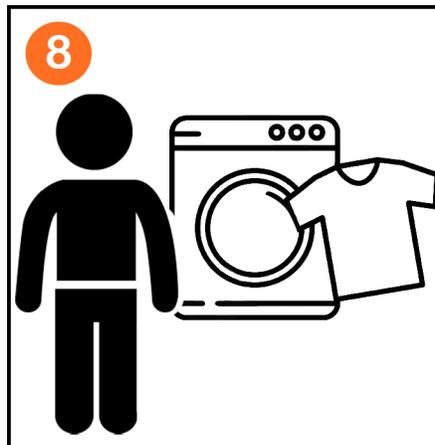

5 Vacuum all carpet & furniture before treatment. Remove bag and discard in a exterior garage bin.

6 Remove all posters, pictures & wall hangings before service.

7 Cover fish tanks and turn off all air pumps before treatment. Cover plants.

8 Dry ALL clothing on high heat then immediately place in trash bags until infestation is removed. (see laundry instructions)

9 Remove all drapes & store in plastic bags. Do not put them back until treatment is complete.

DO NOT dispose furniture during treatment process
DO NOT place items on infested surfaces
DO NOT relocate stored objects from under the bed
SERVICE WILL NOT BE PERFORMED WITHOUT PREPARATION.
PLEASE DO NOT USE OVER-THE-COUNTER-PRODUCTS TO TREAT.
